DORA for Executives: Master Digital Resilience with Confidence

Designed for leaders in financial institutions & ICT service providers

In just a view minutes, your executives gain essential knowledge, strengthen digital resilience, and confidently meet regulatory requirements—practical, engaging, and directly applicable.

Quick Facts

Legal Basis: Regulation (EU) 2022/2554 on Digital Operational Resilience in the Financial Sector (DORA)

Who's affected? Banks, insurers, investment firms, payment institutions, e-money institutions, securities firms, crypto service providers, and ICT providers supporting the financial sector

Mandatory from: January 17th, 2025 across all EU member states

Duration: 3 modules, 7 minutes each

Certificate: Participation certificate included

Flexible Learning: Available via your LMS or our online platform

Essential Learning Topics for Executives

- What is DORA? Scope, objectives, and impact
- Executive responsibilities – Key obligations & compliance measures
- How to manage ICT risks – Identifying & mitigating cyber threats
- Resilience testing made simple – Detecting vulnerabilities early
- Third-party risk management – Ensuring vendor compliance with DORA

Engaging, Effective & Practical Learning

- Practical insights: Case studies & proven strategies for immediate application
- Bite-sized microlearning: Clear, concise, and action-oriented
- Gamification elements: Interactive quizzes & real-world scenarios

Expert Guidance for Your Leadership Team

> This training equips your executives with the expertise and strategies needed to navigate DORA with confidence.
